Présentation de l'éditeur

The world of Ancient Egypt continues to intrigue, with the richly adorned tombs from this era shedding light on their belief systems and rituals. This calendar collects 12 copies of wall paintings from Theban tombs, faithfully reproduced by the artist Nina Davies between 1907 and 1939. These colourful paintings allow insight into one of the most fascinating ancient cultures. Informative text accompanies each work in this art calendar and the datepad features previous and next month's views.
