Kurzbeschreibung

Tech Talk gives learners the functional language they need for real-life, hands-on tasks in the technical, industrial, and scientific sectors. Tech Talk is suitable for those working in production, development, maintenance, planning, purchasing, testing, logistics, and quality. From maintenance to customer service, and from manufacturing to technical support, the focus of the course is always on getting the job done.

Synopsis

This is a practical course for adult learners working in the international technical sector.
